Social Competency: Strengthening Social Skills in Children and Adolescents

Tuesday, January 14
6:00-7:30pm
Angevine Middle School
1150 W South Boulder Rd, Lafayette

Developmentally, social anxiety can often peak in middle school. Learn why social skills correlate with success in life and how to help your child be more socially competent.

For adults with kids elementary age and up.

Presented by:

Kimberly Bryant, Licensed Professional Counselor
Dan Fox, Licensed Professional Counselor
Zach DePledge, Licensed Clinical Social Worker

Competencia Social: Fortaleciendo las Habilidades Sociales en Niños y Adolescentes

Martes 14 de enero
6:00-7:30pm
Angevine Middle School
1150 W South Boulder Rd, Lafayette

Desde el punto de vista del desarrollo, la ansiedad social suele alcanzar su punto máximo en el instituto. Aprenda por qué las habilidades sociales se correlacionan con el éxito en la vida y cómo ayudar a su hijo a ser más competente socialmente.

For adults with kids elementary age and up.
